Centre de Mathématiques et de Leurs Applications

CNRS et Ecole Normale Supérieure de Cachan

Topic: Turbulence modeling and simulation,
Computational multi Fluid Dynamics,
Some specific issues on LBM methods

Date: 2011/11/22-2011/11/24

Venue: Room 223, IPE Mansion

详细安排:

November 22, Tuesday	
09: 00 -- 10: 00	Lecture1: Turbulence modeling and simulation I
10: 15 -- 11: 15	Lecture2: Turbulence modeling and simulation II
14: 00 -- 15: 00	Lecture3: Turbulence modeling and simulation III
15: 15 -- 16: 15	Lecture4: Turbulence modeling and simulation: Direct Numerical Simulation
November 23, Wednesday	
09: 00 -- 10: 00	Lecture5: Computational multi Fluid Dynamics I
10: 15 -- 11: 15	Lecture6: Computational multi Fluid Dynamics II
November 24, Thursday	
09: 00 -- 10: 00	Lecture7: Computational multi Fluid Dynamics III
10: 15 -- 11: 15	Lecture8: Computational multi Fluid Dynamics IV
14: 00 -- 15: 00	Lecture9: Some specific issues on LBM methods I
15: 15 -- 16: 15	Lecture10: Some specific issues on LBM methods II
