

Invited Lecture

The Chinese University of Hong Kong

Speaker: To NGAI

Topic: Microgel Particles Assembly at Oil-Water Interface: Some Thoughts and Comments

Date & Time: 9:00–11:00(am), Mar 26, 2013 (Tuesday)

Venue: Meeting Room 304, IPE Building

Introduction

Present Position:

Associate Professor, Department of Chemistry, The Chinese University of Hong Kong, Hong Kong, China

Education Attainment:

1999.8. B.Sc. (First Class), Department of Chemistry, The Chinese University of Hong Kong

2003.5. Ph.D in Chemistry, The Chinese University of Hong Kong

Main research interests/fields of specialism:

- Interaction of surfaces modified with polymers, surfactants and biomolecules
- The packing and interaction of colloidal particles in liquid-liquid interface
- Design, synthesis and assembly of functional colloidal particles
- Publications: 53 published scientific journal papers,
- Patents: 3 inventions and patents
